

BRIEF SUMMARY

Motivated and detail-oriented Computer Science & Engineering student with a strong foundation in Python, Django, and modern web technologies. Skilled in developing responsive, secure, and scalable applications through impactful internships and real-world projects. Proficient in core Python libraries such as NumPy, Pandas, and Matplotlib, with hands-on experience in data analysis, visualization, and backend development.

EDUCATION

Medicaps University B.Tech. - Computer Science & Engineering CGPA: 6.59 / 10	2022 - 2026
Kshipranjali Public H S school, kshipra 12 th MPBSE Percentage: 74.80 / 100	2022
Central India Academy, Dewas 10 th CBSE CGPA: 6 / 10	2019

INTERNSHIPS

Shanti Infosoft LLP IT / Computers - Software Python Developer Intern Key Skills: Python Rest apis Django MySQL Javascript JWT Authentication Completed a 90-day internship as a Python Intern at Shanti Infosoft LLP, gaining practical experience in backend web development using Python and Django. Designed and developed a Learning Management System (LMS) with features including secure user authentication, course management, and efficient data handling. Collaborated with the development team to build, test, and optimize web applications, wrote clean and scalable code, and resolved bugs to improve performance. This experience enhanced my problem-solving skills, technical expertise, and ability to work effectively in a professional team environment	01 Jan, 2026 - 30 Mar, 2026
IT GEEKS TECHNOLOGIES PVT LTD IT / Computers - Software Software Engineer Intern Key Skills: PYT Javascript HT MySQL DJAN CSS NumPy Pandas Matplotlib Proficient in front-end technologies including HTML, CSS, and JavaScript for building responsive and user-friendly interfaces. Skilled in Python programming and Django framework for developing robust and scalable web applications. Experienced in MySQL database design, query optimization, and data management. I received excellent training, and the trainers were highly skilled and supportive.	05 Jun, 2025 - 05 Jul, 2025

PROJECTS

Learnova- Learning Management System (LMS) Team Size: 1 Key Skills: HTML CSS Javascript Python Django MySQL REST APIs JWT Authentication Developed a role-based Learning Management System that allows administrators, teachers, and students to manage courses and attendance efficiently. The system provides secure authentication using JWT tokens and supports full course lifecycle management including course creation, editing, deletion, and teacher assignment. Teachers can manage their courses and view student data, while students can mark and track their attendance through an interactive dashboard. The frontend is built with HTML, CSS, and JavaScript, consuming Django REST APIs for dynamic data handling.	20 Feb, 2026 - 15 Mar, 2026
E-commerce website Mentor: Abhishek Gurjar Team Size: 3 Key Skills: Django python html CSS my sql Project Link: https://github.com/Aman2728/django_project This project was a deep dive into Django's MTV architecture, database management with Django ORM, and implementing key features like: □ User authentication & secure login □ Product browsing and categorization □ Shopping cart & smooth checkout flow □ Blog integration & newsletter subscriptions	22 Jul, 2025 - 10 Sep, 2025

SEMINARS / TRAININGS / WORKSHOPS

PYTHON ESSENTIAL Institute Name: Cisco Academy

25 Mar, 2025 - 27 Mar, 2025

Key Skills: Python OOPs iot

Design, develop, debug, execute, and refactor multi-module computer programs written in Python 3.
Analyze and model real-life problems in OOP categories.
Use the potential of Python in everyday applications, including IoT and DIY activities.
Understand the role of a programmer in the software development process.
Attempt the qualification PCAP - Certified Associate in Python Programming from OpenEDG Python Institute and continue their professional development at an advanced level.

PERSONAL DETAILS

Gender: Male

Date of Birth: 27 Jul, 2003

Marital Status: Single

Known Languages: English,Hindi

Current Address: Kshipra, Kshipra, Dewas, Madhya Pradesh, India - 455001

Phone Numbers: +91-7389017924, +91-7389017924

Emails: paman2707@gmail.com
